

Carol Renee (Mills) Jones affectionately known as Ne-Ne was born on December 13, 1973 in Indianapolis, Indiana to Hezzie J. Mills and Linda J. Brand. **Carol** graduated Arsenal Technical High School in 1992 and then went on to receive her Masters of Business Administration Degree from Keller Graduate School of Management.

Carol was an extremely dedicated employee of J.P. Morgan Chase Bank from 1994 until her passing. She worked dutifully in several job roles during her career. She always excelled in every position and was known for her strong effective communication, analytics, and leadership skills.

Carol and her family joined Lamb of God Assembly Apostolic Church in 2009. Under the leadership of Bishop Robert A. Hornberger she began to grow more in the knowledge of the Lord Jesus Christ. Her church family meant a lot to her and she considered them her extended family.

Carol was united in holy matrimony to the love of her life Willard I. Jones on June 27, 2010 in Maui, Hawaii. Will was not only her life partner but her world travelling buddy. Due to their bi-annual birthdates, you could find them on a cruise, an exquisite restaurant, lying on a beach or all of the above every year faithfully in June and December.

To know **Carol** was to know that she was a “first class” lady and everything around her she made extravagant. **Carol** enjoyed the finer things in life; this was evidenced by her

great love of fine cuisine she would drive for miles and miles to dine at the restaurant of choosing. Most of all **Carol** enjoyed being with her family. **Carol** would do any and everything possible to give her children the world. Once her children were grown she passed on that love and devotion to her nieces and nephews. **Carol** was truly a devoted sister and friend; she would do anything in her power to uplift or support her loved ones.

Carol was very proud of Asia joining the U.S. Navy. She believed this was God's plan for Asia's life. Once Asia graduated Navy boot camp in March 2016 **Carol** knew that Asia would make an excellent Construction Electrician. **Carol** proudly wore her "Navy Mom" attire and she enjoyed talking about her daughter the Seabee!
